

WYSA Annual Meeting

6/9/09

Present: Marnie Terhune, Chris McPherson, Matt Martin, Jon Shoulta, Chuck Calkins, Terri Dufour, Heather Carey, Scott Jones, Dan Carey, Richard Tozier, Kathleen Minot, Michelle George, Clare Congdon and visitors: Melanie Drew and Steve Oliviera

Rec Report: We have 304 players. 80 players are in the K group. Our numbers in C4 are down presuming to be because many of them are now playing travel or have switched to baseball.

Travel Report: We have 12 teams of 160 players. A discussion was held about A/B leveling issues and the 2 U11 boys' teams. One will remain U11, the other will move up to U12 Division 2.

Finances: Scott gave a detailed financial report.

Fields: The field lining is being handled by an off duty Parks and Rec employee. The conditions at North St are horrible as is Pine Ridge. They need to be rolled. Marnie will talk to P&R about this. A suggestion was raised to see if there is any land anywhere that could be leased for a year or two so that North St could be reseeded.

Soccer Summit: The summit has again been postponed. Due to various conversations with other clubs we understand that Fairfield and Terriers are all for a combined club. We have not heard yet where Winslow stands.

Semi-Pro Club: The Atlantic Sports Group which owns the Premier Women's and Men's teams located at Husson is the semi-pro club that contacted us at last meeting. Blackbear Soccer Club is now held by them. We have affiliated with them as well.

SoccerMaine news: Cheryl Stokes has offered to be the new Northern District Rep for SoccerMaine. We have not heard yet whether this has been accepted.

Tryout Concerns: We are low on players for U11, U12 and U13. We may be able to pick up some players from Fairfield. We will hold an initial meeting on Thursday to discuss teams then a final meeting on Sunday night.

Elections: The following were elected officers/members of the WYSA and NOVAS Boards for the year 2009-2010:
